

Trestar Elektroniks

<https://www.ptfewirecable.com/>

We are an ISO certified organization and involved in manufacturing and exporting of PTFE Insulated Equipment.

About Us

Established in the year **1986**, we **Trestar Elektronik**, are engaged in manufacturing, trading, exporting and supplying a wide range of PTFE Insulated Equipment. Our range include PTFE Hook-up Wires & Insulated Equipment Wires, PTFE Multicore Cables, PTFE Sleeves & Tubes, PTFE RF Coaxial Cables, Double Shielded Cables, PTFE Double Shielded Cables & Triaxial Cables, PTFE High Voltage Corona Resistance Wires and PTFE Thermocouple Wires.

Located at Ghaziabad, Uttar Pradesh, we are led by our mentor **Mr. Brij Bhushan**, His visionary approach and dedicated support of our dedicated team allows us to successfully meet our operation goals. Furthermore, we follow transparent business policies, which helps in offering complete range of products, which meets the specific requirements at client's end. In addition, the competitive prices of our products has also helped us to make many quality conscious clients in the global markets and cater sectors like defense, telecom, aerospace and instrumentation industries. We are also exporting our products in Europe, Singapore, Japan, North East etc.

PTFE CABLES

Our Products

PTFE Floor Heating Cables

Ptfe Insulated Cable

Ptfe Wire Cables

Ptfe Teflon Cables

PTFE INSULATED WIRES

Our Products

PTFE Insulated Wire

PTFE Insulated Cables

Ptfe Insulated Copper Wire

THERMOCOUPLE WIRE

Our Products

Ptfe Insulated Wires

Ptfe Insulated Heating Wire

PTFE Thermocouple Wires

OTHER PRODUCTS:

Cable PTFE Insulated

Heat Resistant Wire

Flame Retardant Wire

PTFE Hook Up Wires

OTHER PRODUCTS:

Ptfe Teflon Insulated Hook Up Wire

Ptfe Shielded Cables

PTFE Double Shielded Cables

Ptfe Insulated Wire And Cables

OTHER PRODUCTS:

Thermocouple Compensating Cable

Ptfе Electrical Sleeves

Ptfе Sleeves Tubes

PTFE Multicore Cable

OTHER PRODUCTS:

PTFE High Voltage Wires

Industrial PTFE Film

Ptfе Teflon Sleeve

RF Coaxial Cables

Factsheet

Year of Establishment : 1986

Nature of Business : Manufacturer

Total Number of Employees : 11 to 25 People
